An ISICAD Product

The screenshot displays the EARD-InfoSys+ website interface. It features a search bar with options for complete words, min 4 letters, advanced search, thematic search, and country search. There are also sections for 'Browse Database' (Organisations grouped, Organisations listed, Projects grouped, Projects listed, Funding grouped, Funding listed, Experts, Events, News) and 'Services' (E-mail Alert, PkProjects Groupware, RIN Journals, Multi site search, PR-Centre, Infosys- FEED, Training). The main content area shows a map of Africa with a highlighted region, and a sidebar with 'Sub regional organisations' including ASARECA, CORAF-WECARD, SADC/FANR, and NORTH AFRICAN REGION. The top navigation bar includes 'Nigeria' and 'Results of Agricultural Research'.

Information on Relationships between:

- Donors and Programmes
- Organisations
- Projects
- Experts
- News
- Events
- Statistics
