

Imagine you want to send a copy of your library to everyone in the world...

www.anancy.net

The screenshot shows the anancy website interface. At the top, there's a 'Picture Library' header with a search bar and a 'Login' button. Below the header, there's a navigation menu with 'Home | About the CTA | Contact | Login' and language options 'English | Français | Português'. The main content area is divided into several sections: 'Latest Publications' with a list of articles, 'see details here' with a detailed view of a report, and a 'Picture Search' sidebar with a grid of images. The sidebar includes a 'Select the Keywords for the Picture-Search' section with checkboxes for 'People', 'City', 'Landscape', 'Animals', 'Plants', 'Technics', and 'Arts'. There are also input fields for 'Keywords', 'Serial', and 'Copyright', and a 'search' button.

- Free software for ACP Partners
- Configure menu and keywords
- Multilingual
- Thematic, geographic, political focus
- Sound streaming
- Picture library with automatic thumbnail creation
- Multisite search „bogle“
- Developed in cooperation with CTA
